

MEDITERRANEAN CALM
OUTDOOR FURNITURE

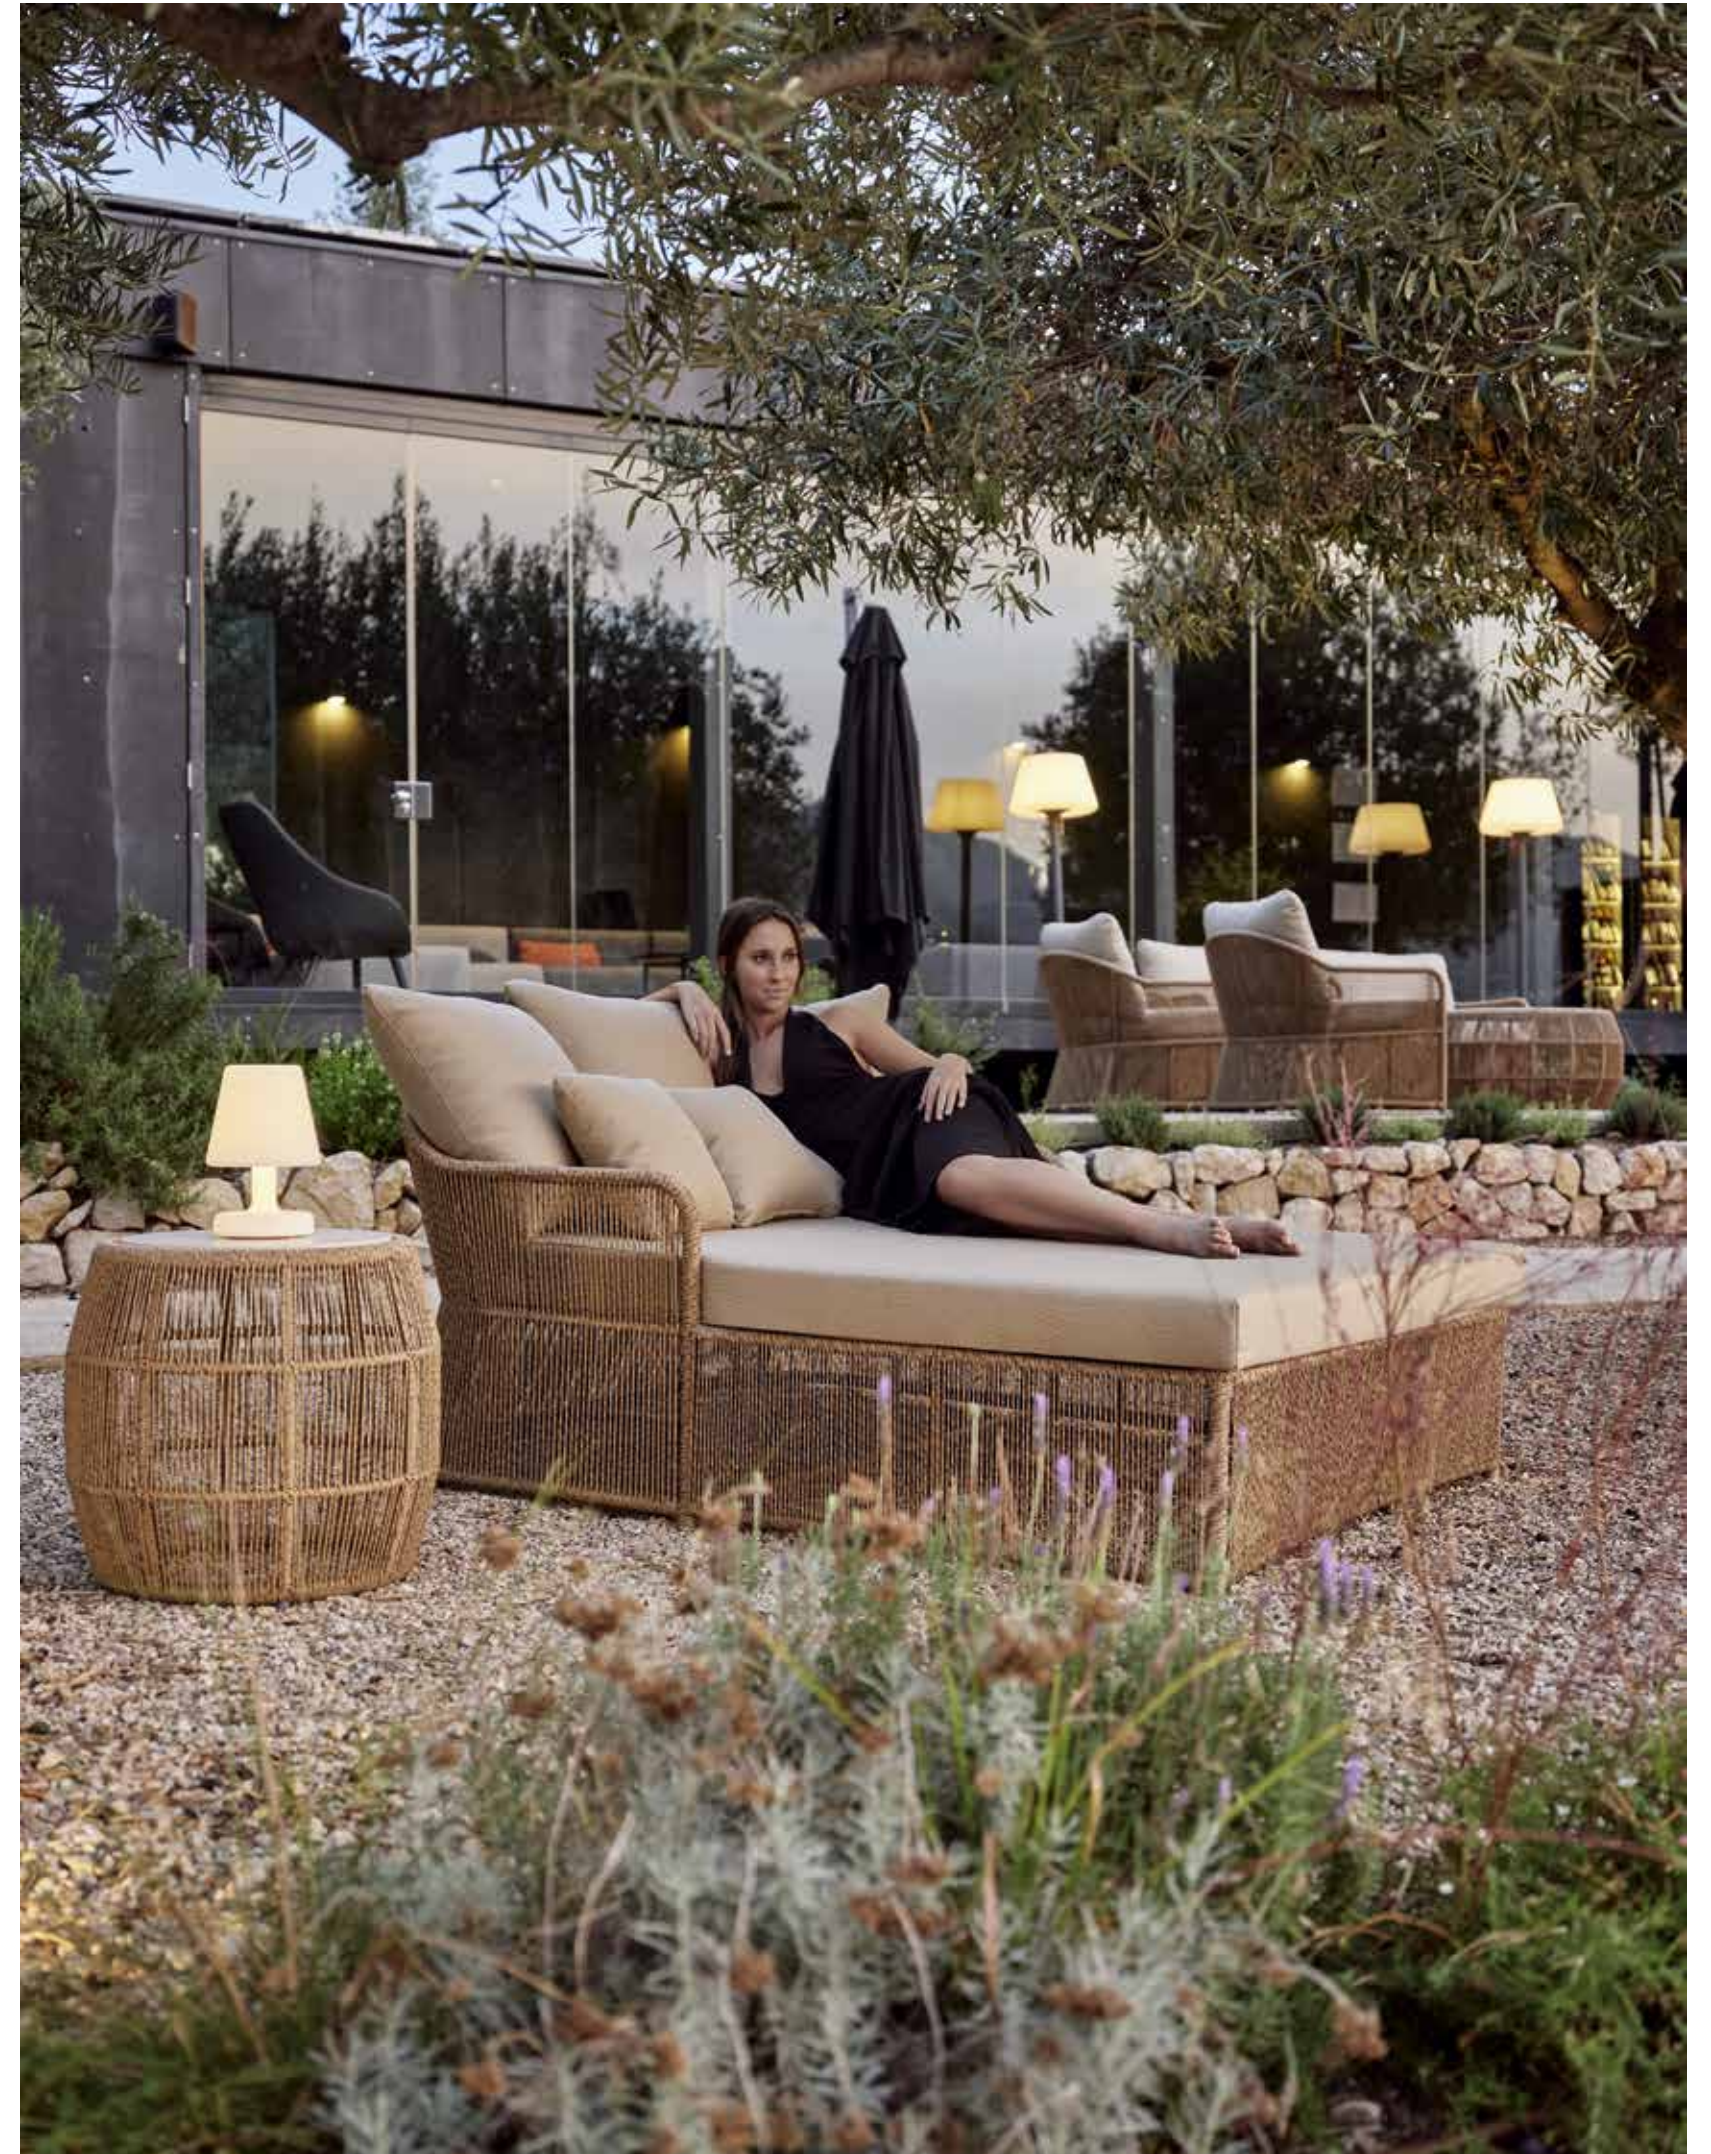

COLLECTION

CALIXTO

Posiblemente una de las colecciones más versátiles, ya que sus piezas se integran perfectamente tanto en espacios relajados como exclusivos. Los materiales en conjunto con los tonos suaves de los tejidos inspiran calma y relax.

Probably one of the most versatile collections, due to its pieces being able to perfectly integrate both relaxed and exclusive spaces. Both its materials and the soft tones of the textiles inspire calm and relaxation.
